

## Volunteer Posting

**Volunteer Position:** Community Fridge Volunteer, Various Roles (Food stocking, Food delivery)

**Posting End Date:** March 31, 2023

**Name of Program:** Collingwood Community Fridge Project

**Description:** The Collingwood Community Fridge Project is looking for volunteers to keep this neighbourhood food asset stocked, clean, and welcoming!

The Community Fridge is a mutual-aid project idea brought to Collingwood Neighbourhood House by members of our Food Justice Advisory Committee who noticed the need for a free, outdoor food asset available 24/7 for all residents of the neighbourhood. And that's what the Community Fridge is! The Fridge provides low barrier access to vegetables and fruits, protein foods, and grain products for Renfrew Collingwood residents, and is located on the West Facing side of the CNH main house, adjacent to the gym entrance.

- b) meet the drivers when they arrive at CNH to move the food into the fridge.

**Requirements:** *For drivers*, you would need access to their own vehicle, and would be picking up a car's-worth of fresh produce and non-perishable items on Thursdays between 12pm and 2pm. Mileage will be reimbursed.

*For food stockers*, you would need to be at CNH in the afternoons on Tuesdays and/or Thursdays to meet the drivers in the underground parking lot.
